- IGFA Saltwater Equipment and Angling rules apply, unless stated otherwise in these rules or at the Captain's Meeting. Copies of the IGFA rules are available during registration and also available here: <https://igfa.org/international-angling-rules/>.
- This is a trolling tournament; the boats must remain in motion while fishing.
- THE FOLLOWING FISHING METHODS ARE NOT ALLOWED: LIVE BAIT, CHUNKING, KITE FISHING, CHUMMING OR THE USE OF GREENSTICKS.**
- Spreader bars are permitted. Planers are permitted, even with wire line. Boats are permitted to troll ONLY eight rods, however, additional hookless teasers are permitted. IGFA leader length rules apply except when used with a planer.
- Omnidirectional sonar use is **NOT PERMITTED** by any tournament boat/participant between 12:00AM on Thursday, June 20th, 2024 and 3:00PM on Saturday, June 22nd, 2024.
- This is a boat tournament. Any crew member may set the hook and fight a fish **OR** pass the rod immediately to one other angler. After the angler has taken the rod, the fish must be fought unassisted until boated. A rod may not be passed more than one time. Fighting a fish from a rod holder is prohibited. All crew members are considered registered anglers, including the captain and any mates.

10. WEIGHING FISH

- All fish must be weighed at one of the Official Virginia Beach Tuna Tournament Weigh Stations: Long Bay Pointe Marina in Lynnhaven Inlet or The Virginia Beach Fishing Center in Rudee Inlet. The scales open at 4:00 PM and close at 7:30 PM on all three days of fishing. A boat's fish may be weighed after 7:30 PM on Thursday or Friday ONLY (not Saturday) under these circumstances: if the boat was fighting a fish after lines out, in case of mechanical problems, or due to an unavoidable delay as determined by the Tournament Committee. The Tournament Committee must be notified of the situation prior to 7:30 PM. On Saturday the scale will close at 7:30 PM.
- Fish are weighed to the tenth of a pound.
- Eligible TUNA species are: Yellowfin, Bluefin, Big Eye, True Long Fin Albacore and Blackfin. Dolphin and Wahoo are eligible to score in a separate category not affecting the aggregate tuna weight.
- This is an aggregate weight format tournament. Scoring is based on the total weight of up to three tunas (any combination of the eligible species).
- The Tournament will only weigh up to three tunas, one dolphin, and one wahoo. It is up to the crew to decide which fish they choose to weigh before they head to the scales.
- The Tournament will make an exception for lady and junior anglers. Each lady and junior angler (16 and under) per boat may weigh ONE additional fish (tuna, dolphin, or wahoo) however, since these are trophy only categories, the additional fish caught will not be counted as part of your total aggregate weight. The lady angler and junior angler awards will be presented to the largest tuna weighed in each category. If no tuna are weighed, the award will be presented to the largest dolphin/wahoo.

- ▼ Culling fish is prohibited. Teams may practice catch and release in hopes of catching a larger fish, but disposing of a dead fish to replace it with a larger fish is strictly prohibited.
- ▼ Boats are lined up to weigh in the order in which they arrive. If a boat arrives in line before the close of the scales, they are allowed to weigh their fish. A boat will be defined as "in line" by passing under either the Rudee Inlet or Lesner Bridge, depending on to which weigh station they are headed.
- ▼ All fish being weighed must come to the scales by water on the boat on which they were caught. If your boat cannot get to the scales due to height restrictions, contact the Tournament Committee prior to fishing to make provisions for weighing your fish. In this case, the fish must remain in the boat and can only be offloaded when tournament officials are present.
- ▼ If your boat is docked at the Virginia Beach Fishing Center adjacent to the scales and you wish to offload your fish from your slip, a tournament official must be present and the Weighmaster must be informed on VHF channel 74 once clearing Rudee Inlet Bridge.
- ▼ Mutilated fish will not be weighed. In this case, "mutilation" is defined as any damage that would impair the fighting ability of the fish.
- ▼ The decision to reweigh a fish must be made while the fish is still hanging.
- ▼ At least one team member must remain with the fish for the entire weigh-in process, and turn in weigh-in forms to the weighmaster before leaving the scales. The weighmaster and VBTT Officials reserve the right to refuse to weigh any fish that does not meet tournament requirements.
- ▼ **DECISIONS MADE BY THE TOURNAMENT COMMITTEE ARE FINAL.**

WEIGH STATION NOTES

- ▼ On your tournament fishing day, if you do NOT plan to weigh any fish, please call the weigh station on VHF channel 74, or call/text 757-204-1148 to let the weighmaster know. It helps us to account for the boats we have not heard from and plan accordingly.
- ▼ If there is a line when approaching the weigh station, call the weighmaster on VHF channel 74 to see how to proceed.

11. TOURNAMENT ENTRY FEES & CASH AWARDS

- ▼ Entry fees and Calcuttas may be paid by check, cash or credit card. If a credit card is used to pay a **3% surcharge will be added**. Cash awards are based on the number of boats entered in the Tournament. The Tournament will retain \$200 from each \$600 entry to offset the cost of producing the Tournament. The remaining \$400.00 of each entry fee will be paid as follows:
 - ▼ Aggregate Tuna: 1st Place-55%; 2nd Place-25%; 3rd Place-10% (If only 2 places-1st Place-60%; 2nd Place-30%; If only one place-1st Place-90%)
 - ▼ Top Dolphin-5%; Top Wahoo-5%
- ▼ In the event that NO eligible tuna are caught, the Tournament proceeds as a "meat fish" (dolphin and wahoo) tournament. The "meat fish" aggregate weight will replace the aggregate tuna weight in the Tournament and optional Calcutta award distribution. As the rules are written, each boat may weigh one dolphin and one wahoo. This will stay the same and the meat fish aggregate will be determined from: ONE dolphin **AND** ONE wahoo, or ONE dolphin **OR** ONE wahoo.
- ▼ Dolphin/Wahoo Award protocol: If no eligible Dolphin is weighed, the prize money allocated to that award is added to the Top Wahoo Award and vice versa. If no eligible dolphin or wahoo are weighed, the 10% allocated from the base tournament entry to those awards is added to the 1st Place Aggregate Tuna. In the event that no one weighs a dolphin, or a wahoo, a drawing will be held for all participants in the Dolphin/Wahoo calcutta. Winner takes all.
- ▼ In the event that a small boat does not weigh a tuna, the prize money allocated in that calcutta will be awarded to either the top dolphin or top wahoo caught on a small boat, or split if both species are caught on a small boat. If a small boat does not weigh a tuna, a dolphin, or a wahoo, a drawing will be held for all participants in the small boat calcutta. Winner takes all.

12. OPTIONAL CALCUTTAS

- ▼ THERE ARE SIX **OPTIONAL** CALCUTTAS THAT TEAMS MAY CHOOSE TO ENTER, OR NOT, IN ADDITION TO THE BASE ENTRY. The calcuttas are incremental, meaning that you must enter Level 1 before you can enter Level 2, and Level 1 & 2 before you can enter Level 3 (A or B) and so on through Level 6.
- ▼ Calcutta winners are based on the team(s) with the single heaviest tuna and dolphin and/or wahoo (Levels 1 and 2) or the heaviest aggregate weight of tuna overall (Levels 3-6) who are also entered in the calcutta as follows:

▼ Level 1: \$100.00—Single Heaviest Tuna, Winner Takes All	▼ Level 4: \$500.00—Heaviest Aggregate Weight, Split 50%, 30%, 20%
▼ Level 2: \$250.00—Heaviest Dolphin and/or Wahoo, Winner Takes All (split if both species weighed, see Dolphin/Wahoo Award protocol under Rule 11)	
▼ Level 3A: \$250.00—Heaviest Aggregate Weight, Split 50%, 30%, 20%	▼ Level 5: \$1,000.00—Heaviest Aggregate Weight, Split 50%, 30%, 20%
▼ Level 3B (Small Boat): \$250.00—Heaviest Aggregate Weight, Split 50%, 30%, 20%	▼ Level 6: \$2,000.00—Heaviest Aggregate Weight, Split 50%, 30%, 20%

SMALL BOAT ELIGIBILITY

- ▼ A small boat shall be defined as ANY boat with a factory listed LOA (length overall) of 34'0" or less. All other tournament rules apply. The Small Boat Calcutta (LEVEL 3B) will be split 50% for First Place, 30% for Second Place and 20% for Third Place.

13. BREAKING TIES

- ▼ Ties between the aggregate weight of tuna are broken by the weight of the heaviest single fish in the group. For example, If Team A weighs three tuna at 60 lbs., 50 lbs. and 40 lbs. their aggregate weight is 150 lbs. If Team B weighs three tuna at 70 lbs., 50 lbs., and 30 lbs. their aggregate weight is also 150 lbs., but Team B would win the tie because their heaviest single fish weighs more than Team A's. If there is still a tie, the second heaviest fish is considered, then the third.
- ▼ If there is a tie in the dolphin or wahoo categories, or in the Level 1 optional calcutta, the prize money is split evenly between the teams that are tied.

14. POLYGRAPH EXAMINATION

- ▼ By virtue of signing the entry form registered participants agree to submit to a polygraph examination if requested to do so by VBTT Officials. Failure to comply will result in disqualification of that Participant and, at the discretion of VBTT Officials, the Participant's entire team. Disqualified participants/teams or participants/teams that fail a polygraph examination forfeit any and all entry money, prizes or prize money, and may be refused entry to future VBTT tournaments. The decision of The Rules Committee is final.

15. PROTESTS

- ▼ Registered Participants may submit a protest against any fish entered. Protests must be submitted in writing to The Tournament Committee by 9:00 AM on the day following the catch of the disputed fish with the exception of the final fishing day when the protest must be made by 8:00 PM. Protests must be accompanied by a \$250 deposit, which will be refunded only if the protest is upheld. The Rules Committee, at their discretion, may use a polygraph examination to reach a decision. By virtue of signing the entry form Registered Participants agree to the final decision of The Rules Committee. The Tournament reserves the right to inspect any entered boat without notice.
